Chapter 8

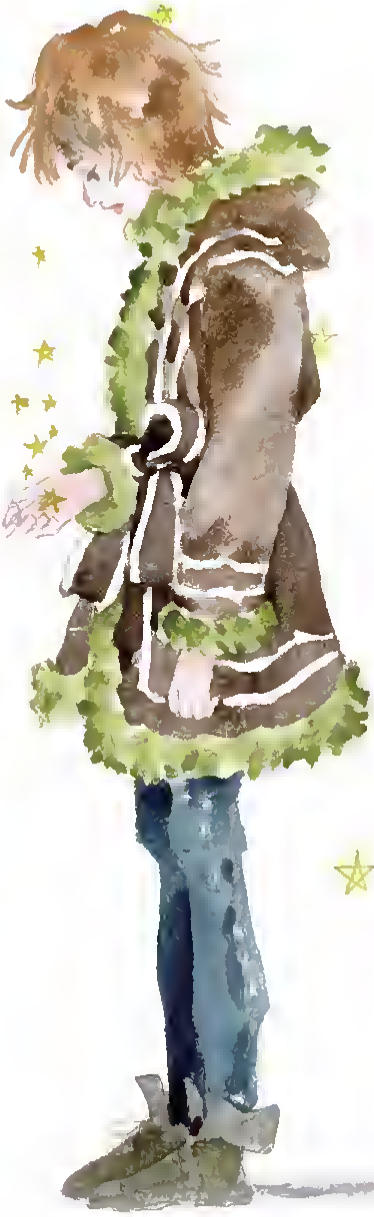
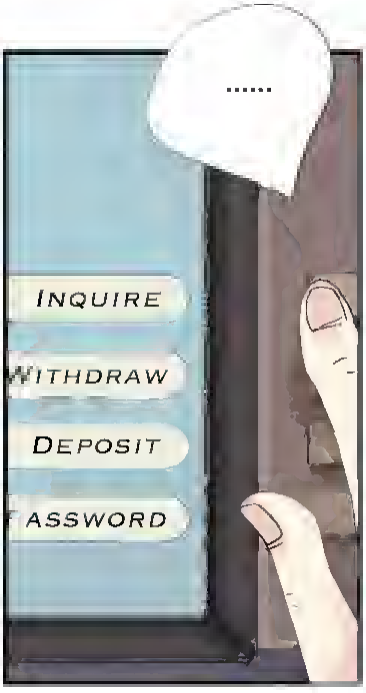
The First Day of the Rest of My Life (1)



TODAY IS THE FIRST DAY OF THE REST OF MY LIFE.
FROM NOW ON, I WILL BECOME AN ENTIRELY DIFFERENT PERSON.

WILL
IT GO
WELL?
PROBABLY.
China Construction Bank
China Construction Bank

Hold on.
I've got something for you.
Let's just say...
It's your wage for these past few years.



.....

Let's just say it's your wage for these past few years.

Wage?

I've dedicated myself to take care of your entire family, and in the end, you've just been treating me as a nanny?
Have you seen a nanny who'd skip sleep just to take your kids to see the doctor every couple of days?

Spending an entire year trying to decide whether to leave or not - I'm such an idiot!

I'm merely a nanny; I should've called it quits a long time ago

It's pissing me off!

Hiring

1 1 cook. Male. 5+ years of experience. Salary starting at ¥5000

2. 2 servers. Male or female. Experience preferred. Salary starting at ¥1500

3. 1 cleaner. Male or female.

TN: ¥5000 = 725 USD, ¥1500 = 220 USD

Looking for work? Do you have any experience?

Fine, come with me.

Put this on. Get started right away.

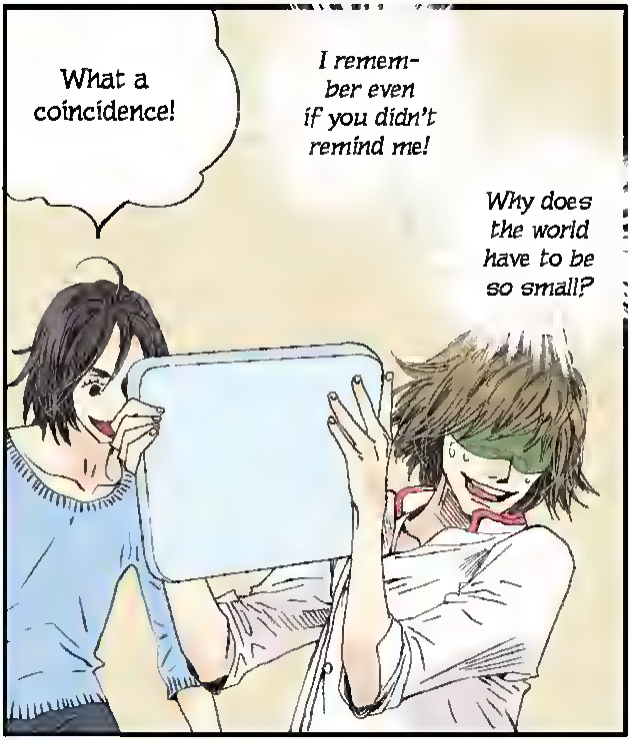
My, you look quite dapper.

Work hard, and pull in more female customers for me!

I ... successfully lied my way through and got the job.
Good, I'll keep on changing until I become a different person.
Why are there chilli peppers in this?
When I placed my order, I already said I didn't want any chilli...
Shredded potatoes with green peppers.
peppers...

Big Bro!
It's Big Bro, isn't it?
Eh?

Still remember me? Your little sister's classmate- Shen Yi!
I'd eaten a meal at your backdoor; you even made me tea!



What a coincidence!
I remember even if you didn't remind me!
Why does the world have to be so small?

A-hem!
See you later, Big Bro!

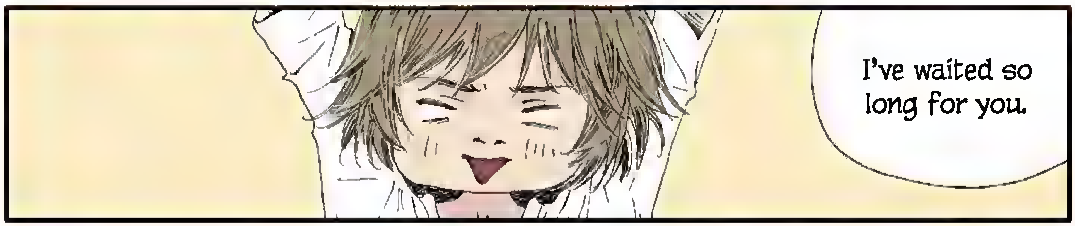
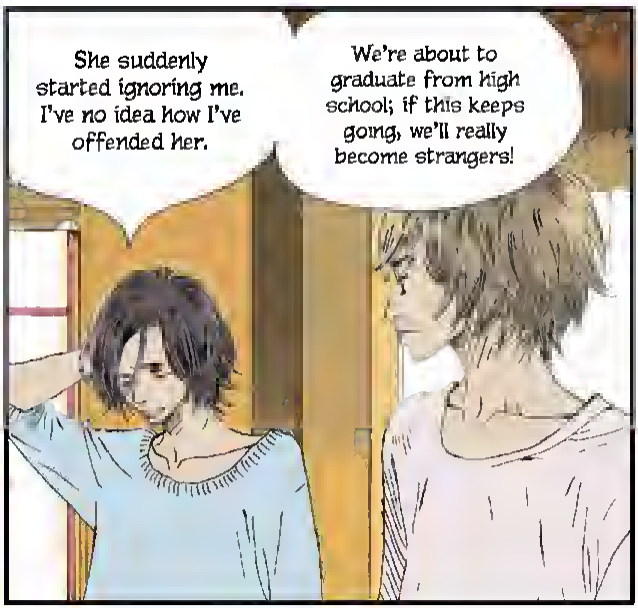
Off work?



I've waited so long for you.

What's Erye Zheng up to these days?
Huh?



She suddenly started ignoring me. I've no idea how I've offended her.
We're about to graduate from high school; if this keeps going, we'll really become strangers!

Erye won't know my whereabouts from him. They won't come looking for me.

So what's with this sudden feeling of disappointment?

...Stop joking around.

If you got something to say to her, say it yourself.

I ran away from home. What they do has nothing to do with me.

Ran away from home?

True. Why else would a rich kid like you work here as a waiter?

Had a fight with your parents? Well, family disputes can be resolved overnight.

Hurry home. Life is rough out in the wild.

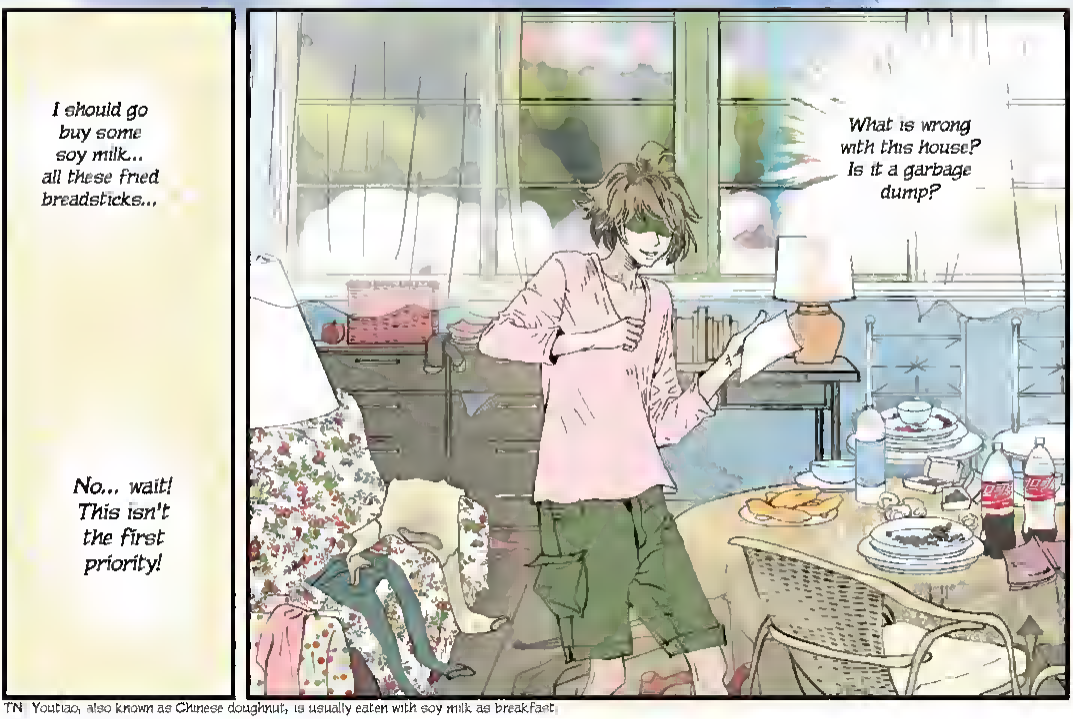
Don't worry about me. Just don't mention anything about me to Erye.

Got it, relax.

But... where are you sleeping at night?

I asked your boss; she said that you want to live in the store, but she won't let you.
Who asked you to snoop around?!
Come stay at my place!
What?
As a token of my thanks! For the meals that you've made me!
Every dish and every grain of rice was delicious, and I've always been grateful for that!
Come on, I won't tell Erye Zheng.
You can leave whenever, but for now, you can stay at my place without worry.
.....

I'm turning off the lights, Big Bro.
Kay.
Thought I was going to have to sleep in an underground tunnel tonight.
Turns out... I got pretty lucky?
DOES THIS MEAN THAT THE REST OF MY LIFE HAS SUCCESSFULLY BEGUN?
DON'T KNOW.. FEELS A BIT PERPLEXING.
I SHOULD STOP THINKING AND LET IT BE FOR NOW
LET'S JUST TAKE IT ONE STEP AT A TIME

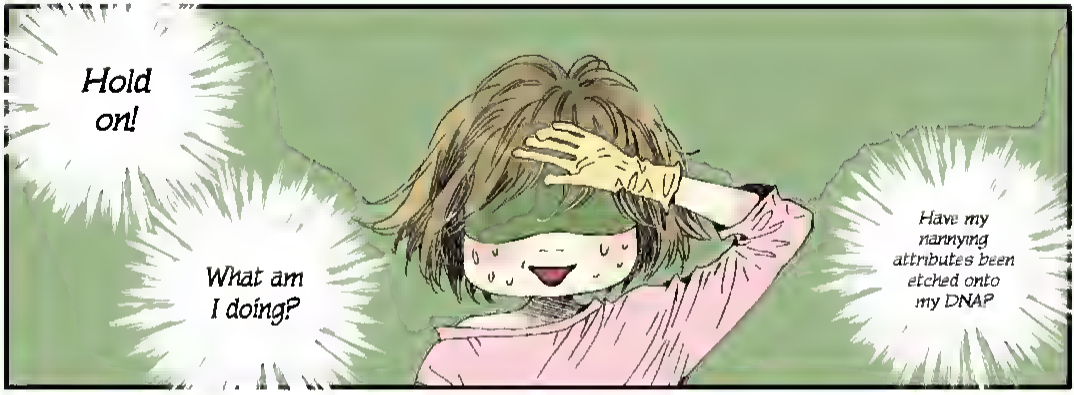


I should go buy some soy milk... all these fried breadsticks...
No... wait! This isn't the first priority!
What is wrong with this house? Is it a garbage dump?

TN: Youtiao, also known as Chinese doughnut, is usually eaten with soy milk as breakfast.

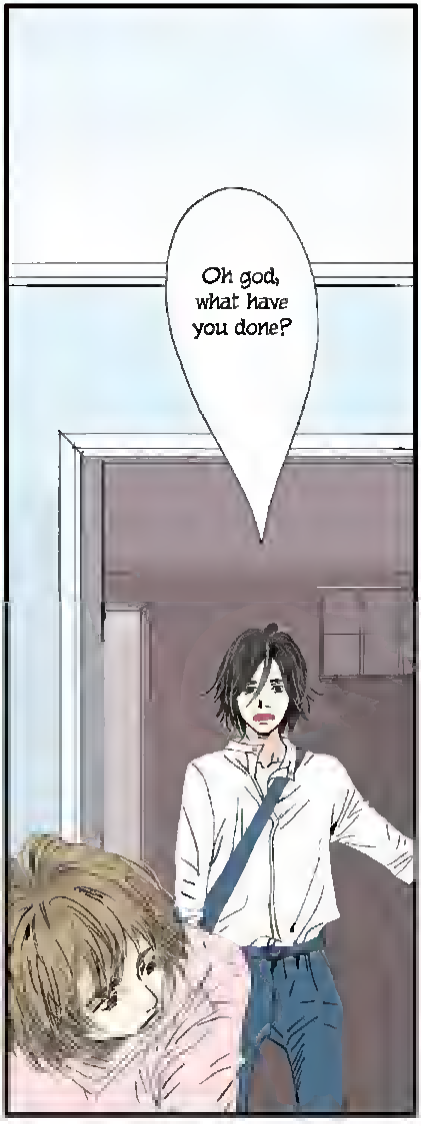
It's moldy! Why hasn't it been thrown out?
Where are the garbage bags?
Throw it away! Throw everything away!
Erye Zheng!
When will you stop hiding from me?
You ran away so fast, your underwear is showing!
Seriously. You'll be the one who'll regret ignoring me!

Tch!
Perfect!

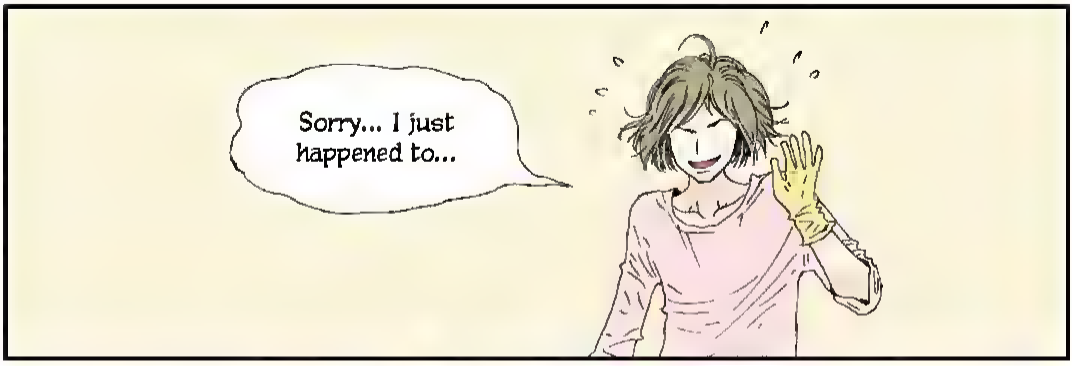


Hold on!
What am I doing?
Have my nannying attributes been etched onto my DNA?

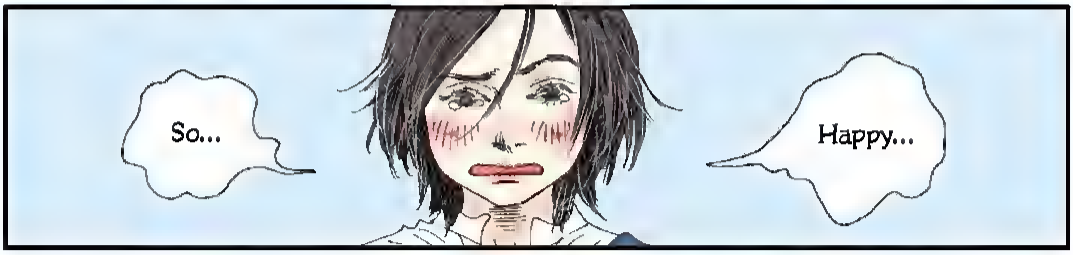
It's over. My life has basically been ruined!
I'll never be able to escape the shadow of that family!



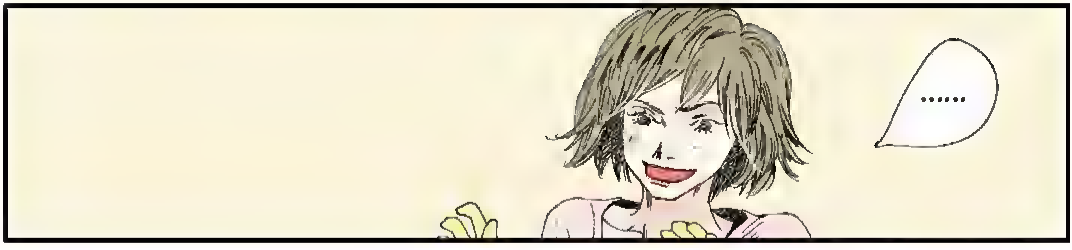
Oh god, what have you done?



Sorry... I just happened to...



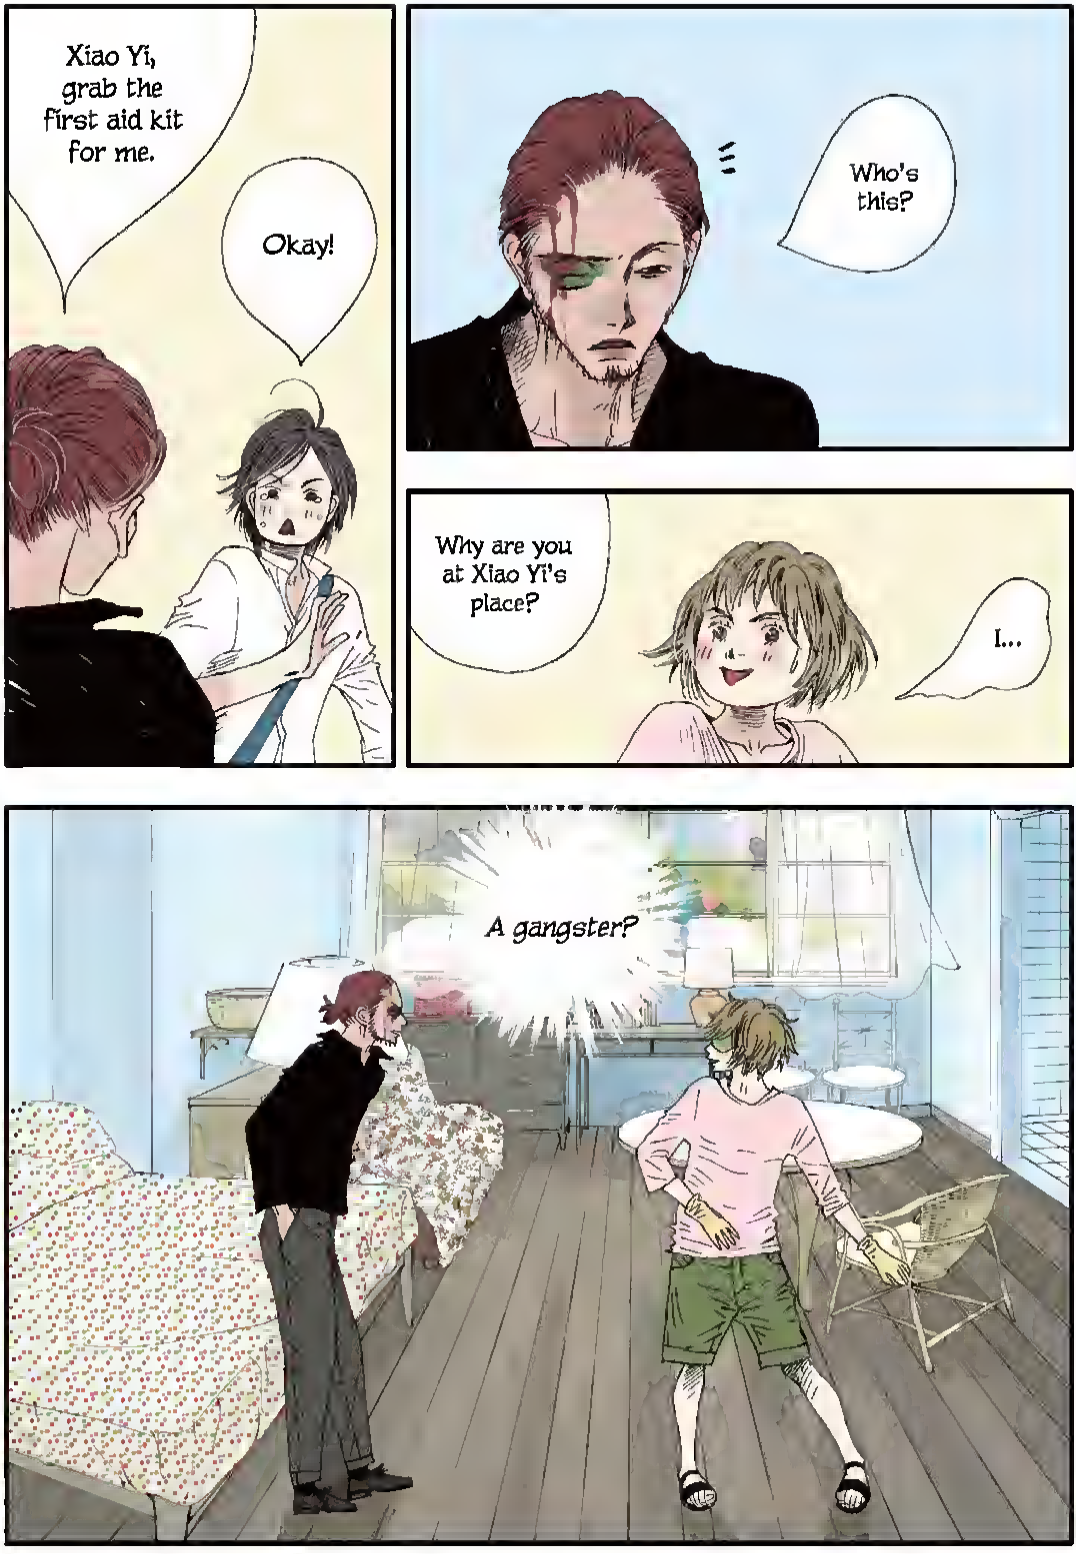
So...
Happy...



.....

I've never seen the house this clean since my mom's passed away!
This feeling - it's as if my mom's alive again!

Uwah, I miss my mom so much!
No way... But...
It makes me a little happy to see you care this much.
Don't cry, you're a man. It's embarrassing.
Someone died?



Xiao Yi, grab the first aid kit for me.
Okay!
Who's this?
Why are you at Xiao Yi's place?
I...
A gangster?
